**One-Day International Seminar on  
ICT Integration in Teaching and Learning: Scopes  
and Challenges in Higher Educational Institutions**

**Organised by: IQAC, Muralidhar Girls' College**

**17<sup>th</sup> August, 2019**

**Venue: Muralidhar Girls' College**

## CONCEPT NOTE

Nowadays Information and Communication Technology has become an integral part of teaching and learning. Effective use of technology motivates students, makes classes more dynamic and interesting and renews teacher enthusiasm as they learn new skills and techniques. Technology has become also an important instrument for maintaining institutional records, student database, to improvise research facilities among students and teachers. The need for ICT in higher educational institutions is increasingly felt to cope up with the global standards of learning, teaching, pursuing research and also maintaining institutional standards.

Keeping these issues in mind, the IQAC of Muralidhar Girls' College is going to organise a one day International Seminar on **“ICT Integration in Teaching and Learning: Scopes and Challenges in Higher Educational Institutions”**. The seminar will be held on 17<sup>th</sup> August from 10.00 am. The objectives of the seminar are:

1. To comprehend the necessity of ICT in higher educational institutions.
2. To throw light on proper utilization of modern technologies in teaching, learning and evaluation process.
3. To find out the challenges faced by higher educational institutions in integrating ICT in the curriculum and institutional framework.
4. To discuss the scopes and prospects of ICT in uplifting the academic standard, increasing students' satisfaction and upgrading the management and governance of the institutions.

The Sub-themes which can be taken up for discussion and debate in the seminar are as follows:

1. ICT in Teaching, learning and evaluation.
2. ICT in Research and innovations
3. ICT and institutional management
4. Media and *e*-learning
5. ICT and student outreach
6. Challenges and limitations of ICT implementation

**Call for Papers:** Teachers and research scholars are invited to submit extended abstract (350 words; MS Word) on the broader theme or sub-themes by 10<sup>th</sup> August 2019; 12:00 pm at [mgiaqc2018@gmail.com](mailto:mgiaqc2018@gmail.com). Full papers will be published in the form of conference proceedings (peer-reviewed) with ISBN.
